- 604 **"Alana's Aura" Original Painting by Patty Bullington**
I began this painting on a night I was chatting on the phone with Paralympic superstar, Alana Nichols. While we were talking, I was randomly choosing colors as I painted. When we finished talking, I asked Alana her favorite color and she said orange...well, at this point in the painting, orange was a prominent theme (and the Broncos had just won the Super Bowl too☺). So, I carried the theme throughout the painting and felt like it was a reflection of Alana's Aura.
